FEATURES, BENEFITS & OPTIONS

PATENTED FLEX-ON® RINGS

Patented Flex-On® rings are the signature feature of the original Hookless® shower curtain. They are available in finishes ranging from chrome-plated, to matching colors, or even a concealed ring option. Flex-On® rings are engineered to:
- Slide on and off virtually any shower rod with ease
- Deliver long-term durability
- Be machine washable and withstand the frequent laundering of a hotel property
BOTTOM ULTRASONIC CUT

The unique stitch-free hem at the bottom of our shower curtains and liners allow water to run off easily, which reduces the chance for mold and mildew formation. The ultrasonic cut is included on our single-ply fabric curtains and all It's A Snap!® polyester liners.

TRANSLUCENT WINDOW

Enhance your guests' shower experience with our optional translucent window feature, which allows greater light into the shower enclosure and provides an increased sense of security. Available in sheer voile polyester or vinyl.

IT'S A SNAP!® POLYESTER LINER

Your shower curtain and liner become one with our optional It's A Snap!® polyester liner with magnets. The durable snap system allows for rapid removal and attachment of the liner for frequent laundering. Corner weighted magnets help hold the shower curtain liner in place and keeps water from splashing out. Liners are available in machine washable polyester or One PLANET™ RePET and PEVA vinyl alternatives.

CORAL CURTAIN

The Coral curtain is made of 100% polyester fabric embellished with a double weaved puffed coral pattern, to give your bathroom a polished look. The sheer voile window adds to the fresh, airy feeling. The coral pattern coordinates with many top of bed programs. Features chrome raised Flex-On® rings and It's A Snap!® polyester liner with magnets.

TREE BRANCH CURTAIN

The overlapping tree branch pattern in neutral shades give this curtain depth. The natural feel will compliment stone or wood materials. Made of 100% polyester with sheer voile window and matching Flex-On® rings. Includes It's A Snap!® polyester liner with magnets.

ONE PLANET™ SHOWER CURTAINS

Focus Products introduced the One PLANET™ brand to bring a comprehensive line of environmentally responsible products to the hospitality industry. The goal of the One PLANET™ brand is to help sustain the world in which we live and operate. One PLANET™ products are a hybrid of recycled, consciously manufactured and biodegradable products for the guestroom and bath. Choose from our in-stock product assortment or partner with us to develop a custom program to meet your specific needs.
Shower Curtains made from RePET
RePET = Recycled polyethylene terephthalate

- PET is the material used to make standard water bottles.
- Each RePET One PLANET™ shower curtain saves 60 water bottles from entering the world's landfills.
- That is the equivalent of one standard kitchen trash bag's worth of water bottles per shower curtain.
- The durability you have come to expect from Hookless® shower curtains, with an environmental sensibility.

CRESCENTSUITE™

Focus Products is pleased to introduce the Crescent Suite™ brand of products where innovative functionality meets superior design and quality. The Crescent Rod® and THE ARC® Shower Bar revolutionized the in-room shower experience and have become staples in the hospitality market. Building upon this success, Crescent Suite™ has been expanded to include The Oval™ Rod, the Double Curved Rod and the Crescent™ Clothesline Rod.

THE CRESCENT ROD®

The original curved rod innovation, The Crescent Rod® is made of rust resistant 1″ round stainless steel tubing. Its one piece design gives extra strength, while the crescent shape offers a 9″ arc. Our patented swivel brackets provide easy installation. Available in bright and brushed finishes. (Brackets and hardware included.)

THE CRESCENT™ CLOTHESLINE ROD

The added convenience of a retractable clothesline to our traditional Crescent™ rod offers the best of both worlds. A single bracket provides two functions in one mounted unit. The lightweight, yet strong nylon cord allows for the hanging of wet bathing suites, towels and other items, while easily retracting into the bracket when not in use. Available in bright or brushed finishes. (Brackets and hardware are included.)

HOOKLESS® ROOM DIVIDERS

Give your space a sense of separation with new Hookless® room dividers. Great for extended stay properties, or double bed rooms, the Flex-On® rings slide effortlessly along the ceiling mounted rod, making it easy to expand or retract.
Features & Benefits:

- Hookless® Flex-On® rings make installation easy
- Made of 100% polyester blackout fabric for privacy
- Custom double sided grommet handle for finished look on both sides
- Fire retardant material
BEYOND THE BATHROOM

The original Hookless® shower curtain was a revolution in how we hang a shower curtain. Applying that same patented Flex-On® ring technology to the requirements of the guest room, we're pleased to introduce new Hookless® room dividers and closet draperies.

HOOKLESS® CLOSET DRAPERY

Our closet draperies are the perfect privacy cover for those properties switching to a space-saving closet cabinet design. This fabric alternative to traditional mirrored doors brings an organic feeling to the closet, while being cost-conscious.

Features & Benefits:

- Fire retardant material for lasting protection
- Brushed stainless steel Flex-On® rings and double sided grommet handles
- Easy to maintain - quick install, and machine washable

Hookless® room dividers and closet draperies are currently a custom program. Contact us to speak with a member of our team about your needs. We can customize the colors and sizes to create a unique look for your property.
