LN19C450 19" Interactive Commercial LCD HDTV**VIDEO PERFORMANCE**

1366 x 768 HD resolution: High resolution pixel density is combined with an image scaler to handle inputs from a variety of sources.

15,000:1 Dynamic Contrast Ratio: Black tones and shadow areas are rendered superbly and with great range versus brilliant whites.

Wide Color Enhancer: Optimizes a color's hue, resulting in a more natural rendering of colors.

Response Time: A fast 8ms response time minimizes blurring of fast motion in sports or action programs.

AUDIO PERFORMANCE

Invisible, Bottom Firing Speakers: Hidden from view, 6 watts of audio power project a full sound throughout the guest room.

Bathroom Speaker Output: Enables connection of a remote speaker in another area of the hotel guests

Dolby™ Digital Plus: Creates an immersing, feature-rich surround sound experience from two speakers, complete with rich bass, high frequency detail and clear dialog.

Auto Volume Limiters: During initial product set-up, minimum and maximum volume levels can be locked to help minimize disturbance to other hotel guests

FEATURES

Hotel Logo/Welcome Message: Create your own guest welcome when TV is powered on.

USB Cloning: A quick and easy way to copy the ideal settings of one television to others on the property. Saves time and helps provide a consistent viewing experience for all televisions.

Front Panel Lock-Out: Prevents unauthorized access to TV's menu. Helps ensure problem-free in-room guest experience.

Multi-Code Remote: Eliminates interference when two or more TVs are used in close proximity.

One Time Alarm: Automatically resets after one use.

Anti-Theft Battery Cover: Battery door is secured helping to always keep batteries in the remote controller.
