

Step up to the new Full HD 1080p 55-inch LED HDTV now with integrated Pro:Idiom® - no card needed. With amazing 1080p resolution, the AutoMotion Plus 120Hz renders the most crisp, vivid and realistic picture quality. The 3,000,000:1 contrast ratio ensures that black tones and shadows are strikingly superb while a fast 4ms response time offers smooth, clear action. Thanks to Dolby™ Digital Plus, all the HD excitement sounds as good as it looks. Includes commercial television features Front Panel Lock-Out, Hotel Logo/Welcome Message, Volume Limiters, USB Cloning and Anti-Theft Battery Cover. With so many features, Samsung is the hotelier's logical choice.

- Channel Re-Mapping
- Power On Channel/Input Select
- 2 Year Limited Warranty (parts and labor)

Pro:Idiom™

UN55C6400 55" Interactive Commercial LED HDTV

VIDEO PERFORMANCE

Pro:Idiom MPEG4 H.264: Embedded Pro:Idiom for compatibility with most major VOD/PPV systems requiring DRM. No optional cards needed.

1920 x 1080 Full HD resolution: Highest resolution available is combined with an image scaler to handle inputs from a variety of sources.

Auto Motion Plus 120Hz™: Optimizes a color's hue, resulting in a more natural rendering of colors.

Response Time: A fast 4ms response time minimizes blurring of fast motion in sports or action programs.

3,000,000:1 Dynamic Contrast Ratio: Black tones and shadow areas are rendered superbly and with great range versus brilliant whites.

AUDIO PERFORMANCE

Dolby™ Digital Plus: Creates an immersive, feature-rich surround sound experience from two speakers, complete with rich bass, high frequency detail and clear dialog.

Invisible, Bottom Firing Speakers: Hidden from view, 20 watts of audio power project a full sound throughout the guest room.

Auto Volume Limiters: During initial product set-up, minimum and maximum volume levels can be locked to help minimize disturbance to other hotel guests.

Bathroom Speaker Output: Enables connection of a remote speaker in another area of a hotel guest room.

FEATURES

Hotel Logo On-Screen Display: Enables the hotel's logo to appear when the television is powered on.

USB Cloning: A quick and easy way to copy the ideal settings of one television to others on the property. Saves time and helps provide a consistent viewing experience for all televisions.

Front Panel Lock-Out: Prevents unauthorized access to TV's menu. Helps ensure problem-free in-room guest experience.

Swivel Table Stand: Provides adjustable viewing angles throughout the guest room.

Anti-Theft Battery Cover: Battery door is secured helping to always keep batteries in the remote controller.

Ultra Slim 1.2" Touch of Color™ Design: Samsung's unique manufacturing process accents the surrounding bezel with color.

Closed Captioning: A quick and easy way to copy the ideal settings of one television to all others on the property. Saves time and helps provide a consistent experience in all rooms.

V-Chip system¹: Allows blocking of rated TV and Movie programs determined by a parent to contain objectionable content.

Variable Sleep Timer: Can be programmed to power off the TV at different time intervals.
