What if your combination appliance helps prevent unnecessary fire alarms from going off?

• NEW patent-pending 1st Defense™ Smoke Sensor
• NEW USB Charging Station
• Patented current limiting technology
NEW 1st Defense™ Smoke Sensor

The patent-pending internal smoke sensor automatically shuts microwave operation and alerts user of smoke before any damage is done.

NEW USB Charging Station

Next generation charging station offers two USB ports and one traditional outlet to conveniently charge small electric devices.

Safe Plug™ Technology

Provides protection against circuit overloads for user safety and convenience. Blue plug on refrigerator plugs into back of microwave for energy efficient one-plug to the wall operation.

Refrigerator Specifications

Annual energy consumption 297 kWh based on standard DOE test.

Electrical Requirements

Power .................................................. 115 V/99.5 W
Start-up amps .................................................. 10.5A
Run/normal operating amps .......................... 0.89A

Exterior Dimensions

Height* .................................................. 58 ½" (149.1 cm)
Width .................................................. 23 ½" (60.3 cm)
Width with door open 180° .......................... 46 ½" (117.5 cm)
Depth .................................................. 26 ¼" (67.9 cm)
Depth with door open 90° .......................... 49" (124.5 cm)
Weight .................................................. 135.0 lbs (61.2 kg)
Shipping Weight ........................................ 144.0 lbs (65.3 kg)

Height measurement is without brackets.

Interior Dimensions

Total volume ......................................... 10.3 cu. ft. (291.5 liters)
Refrigerator volume .................................. 7.9 cu. ft. (224 liters)
Freezer volume ........................................ 2.4 cu. ft. (68 liters)

Refrigerator Features

• 2 full wire shelves
• 4 full-width door shelves
• 2 liter bottle storage
• Temperature control
• Clear glass crisper
• Auto-defrost
• White interior
• Estar rated

Cabinet Features

• Bevel-edge, Tri-Panel door design
• Door cap handle
• Cord management hinge clip system
• Leveling legs
• 7.5 ft (2.28 meters) cord

Freezer Features

• Frost free
• Automatic defrost
• 1 full-width wire shelf
• 2 full-width door shelves

Microwave Oven Specifications

Electrical Requirements

Power .................................................. 120 V/60 Hz
Power output, defrost ............................. 850 watts
Power output, cook .................................. 280 watts
Start up amps ....................................... 10.9
Total amps for plugs front/rear ............... 4/9

Exterior Dimensions

Height .................................................. 12 ¾" (31.9 cm)
Width .................................................. 18 ¾" (46.9 cm)
Depth without handle ............................. 15 ¾" (38.6 cm)
Weight .................................................. 340 lbs (15.4 kg)
Shipping Weight ..................................... 39.2 lbs (17.8 kg)

Interior Dimensions

Oven capacity .................................... 0.9 cu. ft. (25.5 liters)

Microwave Features

• NEW internal smoke sensor
• NEW USB charging station with 4 amps max for the 2 USB ports and one charging station
• Easy-grip pull door
• Express cook settings
• Programmed cooking options
• LED display and clock
• Signal beeper with adjustable volume
• Removable 10 11/16" (27.1 cm) glass carousel
• 5 0 ft (1.5 meters) cord
